

IHG ANA Hotels Group Japan – Hotel Development

Development Opportunity with IHG ANA Hotels Group Japan

Why partner with IHG ANA Hotels Group Japan

In 2006, IHG ANA Hotels Group Japan was established by All Nippon Airways and InterContinental Hotels Group to create the best hotel operating company in Japan. Our dedicated teams provide owners with consistent supports from development phase to operation phase. Our rich local and global operational experience, extensive hotel network throughout Japan and all over the countries, global brands and resources as well as flexible and Japan-tailored initiatives continue to ensure that guests are satisfied, while ensuring hotel owners who newly joined to the system hotels and existing hotel owners enjoy the clear path to success.
